EDUCATION

BS Artificial Intelligence (4th Semester)

University of Management and Technology (UMT), Lahore
2024 – 2028 (In Progress)

Intermediate – ICS (Certified)

Superior College, Pattoki
2022 – 2024

Matric – Medical (Certified)

Allied School, Pattoki
2020 – 2022

Academic Projects

Hotel Management System (OOP – C++)

- Implemented using classes and objects
- Applied OOP concepts (Encapsulation, Functions)
- Managed booking and customer records

Library Management System (Programming Fundamentals – C++)

- Developed using basic programming concepts
- Implemented record management
- Used loops, conditions, and functions

Hotel Management System (Data Structures – DSA)

- Implemented using data structures concepts
- Used linked lists/arrays for data handling
- Focused on efficient record storage

Basic Calculator (Python)

- Self-developed project
- Performed arithmetic operations
- Applied functions and logical conditions

TECHNICAL SKILLS

- C++ Programming
- Python (Basic Level)
- Object-Oriented Programming (OOP)
- Data Structures (Basic Concepts)
- MS Office (Word, Excel, PowerPoint)
- Basic Understanding of AI & Machine Learning

OBJECTIVE

Dedicated 4th Semester BS Artificial Intelligence student with an academic background in ICS, seeking an internship opportunity to apply knowledge of Programming, Data Structures, and Artificial Intelligence in a professional environment. Passionate about problem-solving and software development.

SOFT SKILLS

- Strong Problem-Solving Ability
- Teamwork & Collaboration
- Communication Skills
- Quick Learner
- Time Management

LANGUAGES

- English
- Urdu
