ABOUT ME

Motivated and detail-oriented web developer with a strong passion for creating responsive, user-friendly websites and applications. Seeking to apply and expand my skills in **frontend and backend development**, **UI/UX design**, and **modern web technologies**. Eager to contribute to a dynamic team where I can grow professionally and deliver impactful digital solutions.

EXPERIENCE

Intern | DirectFN, Lahore

Dec 2024 – April 2025

- Learning languages, technologies and databases like **C#**, **OOP**, **.NET**, **ADO.NET**, **SQL-SERVER** and **SQLite3**.
- Learning Web Development languages, technologies and databases like HTML5, CSS, **JavaScript**, **TypeScript, Angular**, **Node.js** , **SQLite3**, **SQL-SERVER**. and **MYSQL.**
- Explored mobile app development using React Native.

Projects

Full-Stack E-Commerce Website

Technologies : AngularJS, Node.js, Express.js, MySQL

- Implemented secure login and signup functionality with database integration for user authentication.
- Built an **Add to Cart** feature using Angular services for real-time updates and quantity control via popup modal.
- Integrated Nodemailer for email confirmations and an admin dashboard for order management.
- Developed an **admin dashboard** with a dynamic table to display and manage all order details.

Full-Stack Blog-Post Website

Technologies : React, Node.js, Express.js, MySQL

- Built secure login/signup with JWT authentication and password hashing.
- Developed admin dashboard with full CRUD blog management.
- Created responsive React.js frontend for dynamic blog display.
- Implemented role-based access control for admin/user features.
- Designed mobile-friendly UI for improved user experience.

FINAL YEAR PROJECT (FYP)

Violence Against Women Detection Using Deep Learning – Women Shield

Technologies: Python, Flask, Deep Learning (CNN, RNN), Web Interface.

- Designed an AI-based system to detect violence against women using video, audio, and text inputs.
- Built a real-time web interface for awareness, safety alerts, and reporting.
