PROFILE SUMMARY

Self-motivated and detail-oriented Python developer with an academic background in Artificial Intelligence. With over 2 years of experience, I have a strong foundation in core flutter with a keen interest in backend development, relational database and software engineering. Also skilled in app design and AI, bringing creativity and attention to detail to technical projects. I've acquired soft skills like critical thinking, problem-solving, communication skills and time management by the course of my professional career. Available for long-term collaborations.

SKILLS & EXPERTISE

- **Programming Languages:**
  Flutter, Python, C/C++, MySQL, Java
- **Tools & Technologies:**
  Git, IntelliJ IDEA, Eclipse, VS Code, Android Studio
- **Design & Multimedia:**
  Adobe Creative Suite, Canva, Blender (3D modeling & animation)
- **Machine Learning:**
  Supervised Learning: Linear Regression, Random Forest Classifier

PROFESSIONAL EXPERIENCE

Worked as **Developer (intern)** for **Nishat Industries** (Onsite). **2025 - 2025**
- Managed and monitored records in the nishat database.

Worked as **App Developer Co-Head** at **IEEE-GCU** (Onsite). **2024 - 2025**
- Prepared a roadmap for the course and taught app development to my juniors.

Worked as **Jr. App Developer** at **CMC MTech** (Onsite - Part-time). **2021 - 2023**
- Made Interactive applications with customizable UI/UX as per the clients needs. (Brands and clients listed):

- Monark
- Baranh
- Miknmin
- Baked
- Face Recognition Attendance App for CMC MTech

PORTFOLIO

Get Fit (Flutter, Python)
- A deployable AI powered fitness app with a focus on clean UI and a chatbot to help track calories and workout details to reach your fitness goals.

Hand Written Digit Recognizer (Python)
- A Machine Learning model for live digit prediction using Tensor Flow and CNN for preprocessing of data.

Bakery Management System (SQL, Java)
- A clean, modern system with a focus on usability—a smart management system using the core concepts of OOP. Implemented using Java and SQl.

EDUCATION

- BACHELORS OF SCIENCE IN ARTIFICIAL INTELLIGENCE **2023 - 2027**
  Government College University, Lahore (GCUL)
- INTERMEDIATE IN FSC. ICS **2021 - 2023**
  Punjab Group of Colleges, Canal Road, Lahore
