Dear Hiring Manager,

I am writing to express my interest in a suitable position within your organization where I can contribute my skills in AI automation, front-end development, and digital strategy. I am currently pursuing a Bachelor's degree in Computer Science and have developed hands-on experience through remote roles and practical projects.

In my role as a Social Media Manager at Travel Radar, I successfully managed and grew social media platforms by creating engaging content and implementing targeted strategies. This experience strengthened my ability to understand user behavior and optimize engagement.

Additionally, as a Front-End Developer at Apex Link Innovations, I developed and customized responsive WordPress websites,m and focusing on performance. More recently, I have been working as an AI Automation Developer where I build intelligent workflows, agent-based systems, and automation solutions.

I am eager to bring my technical expertise, creativity, and adaptability to your team. I would welcome the opportunity to further discuss how I can contribute to your organiization.
